In games in which a winner must be determined, but the score is tied at the end of the second half, there will be two overtime periods of 15 minutes each. - (4) If a game is not completed because one of the teams is unable to field at least seven players, the score will stand as it is at the moment of termination or abandonment. If the team responsible for abandonment has more goals than the opposing team, or the game is tied, the opposing team will be awarded a forfeit victory.
- (5) If the team awarded the forfeit has scored fewer than three goals, it shall be awarded the forfeit victory of three goals.

(6) The decision of the Cups Commissioner is final.
