

Vincent Treglia for USASA At-Large Director

Dear Members of the United States Adult Soccer Association,

I am honored to announce my candidacy for the position of At-Large Director on the USASA National Board of Directors. My deep-rooted passion for amateur soccer, coupled with my extensive experience as a player, coach, club manager, and state association representative, has prepared me well for this role. I am eager to contribute to the growth and success of the US Adult Soccer Association.

Throughout my career, I have had the privilege of serving in various leadership roles within the soccer community and at the professional level. Here are some highlights of my career:

- **USASA Region 1 Treasurer**
- **Member of USASA Committees**
- **Head Coach & Club Manager of Forest Park Soccer Club:** Managed all aspects of Premier, Reserve, Co-Ed, U-23, and U-20 teams, and partnered with local youth clubs to promote players to men's teams.
- **Trustee of the Eastern New York Adult Soccer Association:** Supported soccer development at the state level, assisted with relaunch of coaching education programs that host 75+ courses and issues 2,000+ licenses annually.
- **Chairman of the ENY State Cups:** Organized 8 statewide cup competitions annually, involving over 200 teams.
- **Founder of Kick-Start a Cure:** Leading a non-profit organization supporting cancer patients, caregivers, and their families.
- **Senior Management Roles** at Ernst & Young and Other Accounting Firms
- **Director of International Taxation** at Mario Treglia CPA
- **Managing Partner** at Treglia Consulting LLC

As an At-Large Director, I am committed to supporting grassroots efforts, and improving the accessibility and quality of adult soccer programs. By working together, we can create an environment where every player, coach, and volunteer feels valued and empowered. USASA must take steps to grow its membership, player count, and explore new initiatives to enhance the overall experience for everyone involved.

My primary goals include:

- **Expanding Outreach Programs:** to reach out to new communities and engage at the local level, thus increasing our membership.
- **Innovating Through Technology:** Leveraging technology, video streaming and social media to improve communication, streamline advertising, and provide new tools and resources for our members.

Together, we can build a brighter future for USASA and Adult Soccer, where every participant can thrive and enjoy the beautiful game. I am excited to bring my experience, dedication, and vision to the role of At-Large Director, and I look forward to working with all of you to achieve these goals.

Thank you for your consideration and support.

Sincerely,

Vincent A. Treglia
