

Dear Delegates and Members of US Adult Soccer,

I am grateful for the privilege of serving as your Adult Commissioner over the past two years, and I am honored to announce my intention to seek re-election at the upcoming U.S. Soccer AGM in Atlanta.

Over the next term, my commitment is to build on the progress we have made and focus on initiatives that will strengthen and elevate adult soccer across the country.

**Collaboration and Growth** remain at the core of my vision. I will continue working closely with U.S. Soccer, our fellow councils, and key stakeholders to increase adult soccer membership and to develop a true, meaningful national amateur competition structure—one that provides clear pathways, competitive opportunities, and greater visibility for adult players nationwide.

**Innovation in Member Services** is essential to our future. I will prioritize the development of modern membership benefits and programs that meet the evolving needs of our leagues, teams, and players, ensuring that US Adult Soccer delivers real value at every level.

**National Unity and Representation** must also remain a priority. We need to safeguard and strengthen the voice of adult soccer within the broader U.S. Soccer ecosystem. This requires transparency, open dialogue, and strong partnerships with our counterparts in the youth, athlete, and professional councils.

**Expanding Our Community** is another key objective. I will continue to pursue initiatives that attract unaffiliated leagues and players into our organization, broadening participation and making our association more inclusive, diverse, and representative of the adult soccer landscape.

**Efficiency and Modernization** are critical to improving the member experience. I am committed to reducing administrative burdens, streamlining processes, and implementing practical solutions that allow our volunteers and administrators to focus on what matters most—growing the game.

My experience as a player, coach, and administrator gives me a deep understanding of the challenges and opportunities before us. I am excited about the work ahead and remain fully committed to serving our members and advancing adult soccer at the national level.

I would be honored to earn your support and welcome any questions, ideas, or feedback. I look forward to connecting with you at the AGM as we continue shaping the future of U.S. Soccer, the Adult Council, and the US Adult Soccer Members.

Sincerely,  
Cezar Wasecki
